

özdisan electronics

Electronic Component Distributor
&
Solution Provider

ozdisan.com

About Us

Özdisan, is a electronic component distributor and solution provider. It is a DMY Group Company established in Istanbul Galata in 1980. Özdisan's main services are, electronic component distribution, PCB Assemblies and FAE – R&D supports. With all these services, Özdisan offers turnkey solutions to its customers all over the World.

Services :

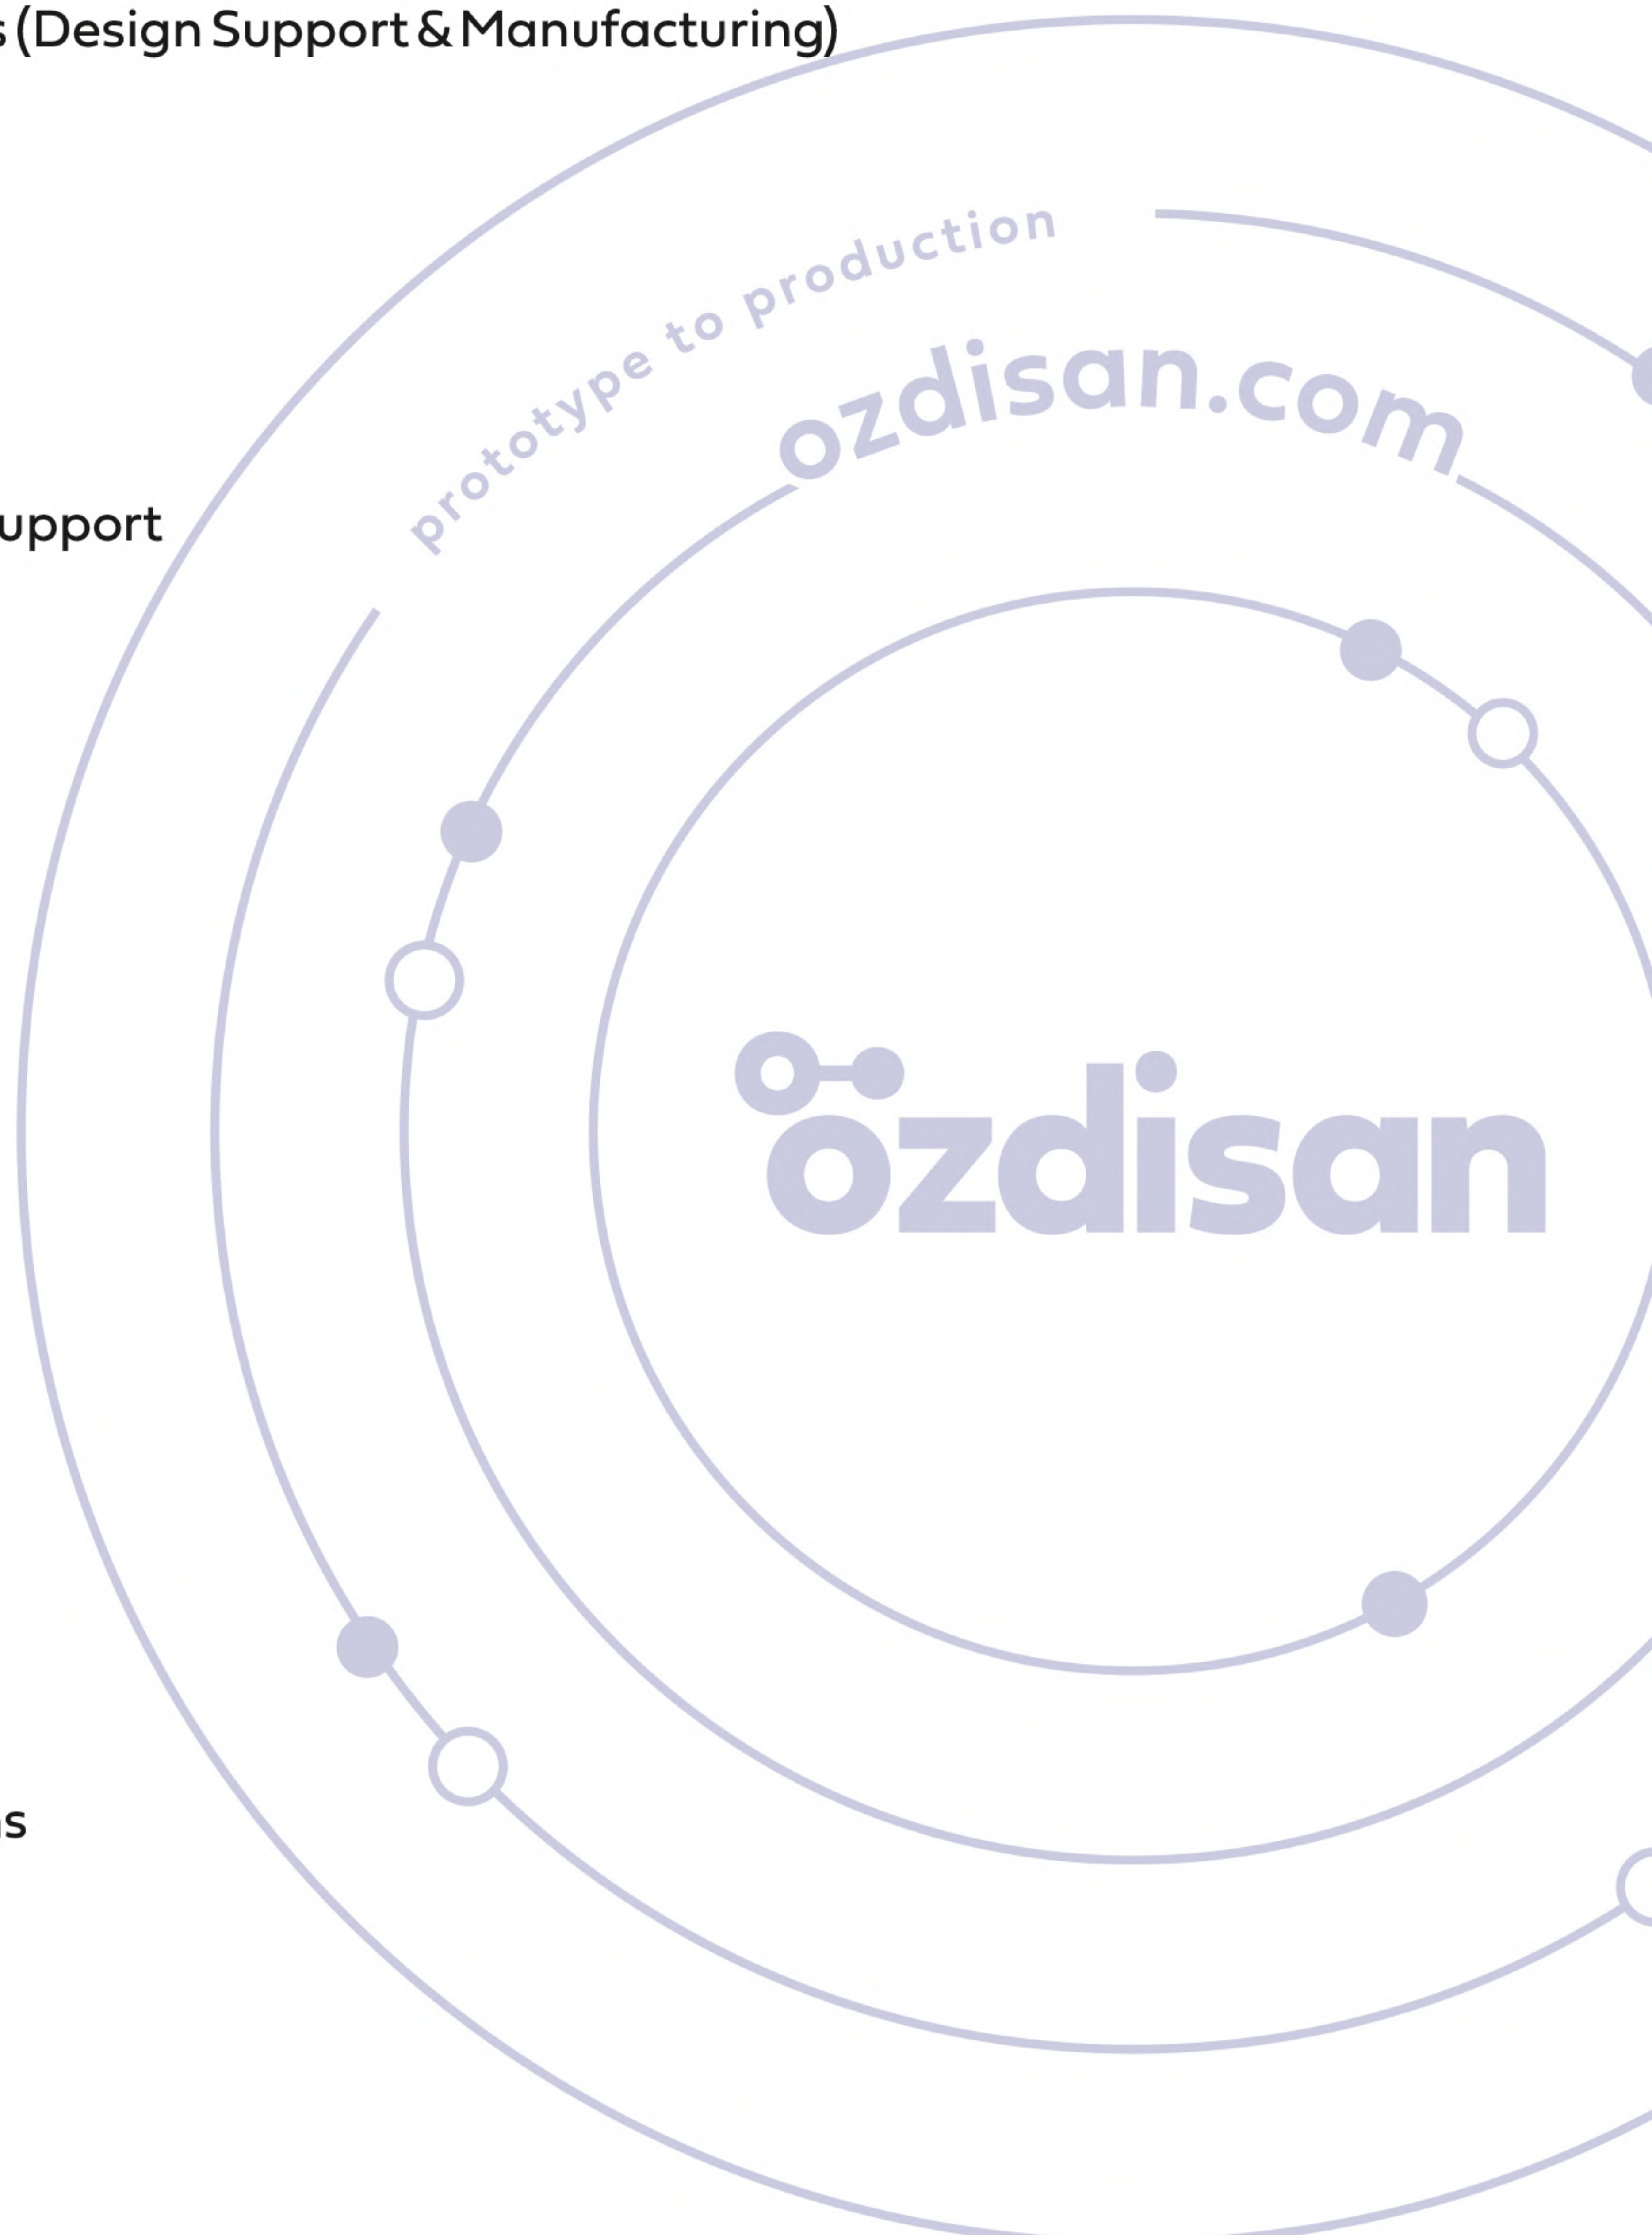

- Electronic Component Distribution
- FAE and R&D Support
- PCB Supply
- PCB-A Production
- Heatsink Production
- LED Lighting Solutions (Design Support & Manufacturing)

Strongest Lines :

- Wide stock variety
- Same day shipment
- Technical and project support
- Online order
- Production planing
- Turnkey solutions

Key Applications :

- Power electronics
- Industrial electronics
- Defence
- Consumer
- Medical
- Lighting
- Automotive
- Energy
- Telecom
- Aviation
- Smart Home
- DIY - Hobby
- Transportation Systems
