WHO WE ARE

Pennon Shipping Pvt Ltd., established in 1994 as the agency wing of the T.P.R.C. Group of Companies, was conceived with the intention of being the focal point of various shipping related synergies that were generated by its fellow Group Members' activities and to render vital agency and attendant functions to the rapidly expanding client base shared between themselves.

The Group Activities among others, include Stevedoring, Clearing & Forwarding, Warehousing, Logistics and Haulage, Inland Barge Services, CFS Operations and Consolidation, Surveys and Inspections, Collateral Management, Handling Equipment Supplies, Consultancy and Counselling at various Indian Ports.

WHO WE ARE

All the activities are undertaken by the Individual Group Companies, each of which has several decades of experience, with the stevedoring company M/S T. P. Roy Chowdhury & Co. Pvt. Ltd. having been involved with shipping in the East Coast of India for almost five decades now. Our infrastructure allows us to anticipate our clients' needs.

Perseverance and dedication have broadened the company's scope of operation to the ports of Paradip, Haldia, Chennai and Vizag.

Our strong and accredited partners in WCI allow us the handling ease and efficiency required to attend to the trade's valuable requirements, with matching abilities in the West Coast as well.

GROUP COMPANIES

T P Roy Chowdhury & Co. Pvt. Ltd. is the flagship company, acquired in Kolkata in 1956, and revamped to undertake stevedoring operations along with related shipping services, and subsequently extended its operations to other East Indian ports. Also own and operate self propelled Combi Barges for inland transportation of dry bulk and containers. Over five decades, the company has grown from strength to strength.

Overseas Merchandise Inspection Company (India) Pvt. Ltd. is a subsidiary of the OMIC Group Japan, and the Kolkata branch was the first to be established in India in 1957. OMIC attends to commodity inspections, amongst others, on an international scale. It boasts of well equipped laboratories at various East and West Coast of India ports and at strategic global locations, with offices all over India.
