

Announcement**◀ Baltic X-PRESS (BBX) Loop 2**

Your Leading Feeder Solutions Provider

Founded in 1972, X-Press Feeders has since grown into the world's largest independent feeder carrier. Our mission is to be "The Global Common Carrier" of choice, and we seek to provide the most reliable and cost-effective service solutions to support our customers' feeding needs.

Starting out with only operations in South East Asia, we have since expanded and are now operating throughout Asia, Middle East, Africa, Caribbean, Latin Americas, Mediterranean and Europe.

We have over 300 dedicated staff stationed across the globe, as well as a network of committed agents worldwide. Everyone at X-Press Feeders, including our agents, share a common goal. To provide the best network, schedules and expertise, giving our customers the most competitive and reliable services.

Announcement**◀ Baltic X-PRESS (BBX) Loop 2****An Independent Container Feeder Carrier**

X-Press Feeders does not own, lease or operate any containers. We provide only transportation services to container operators and not for proprietary cargo interests or for the general shipping public. Without competing with our customers, it allows X-Press Feeders to act as a trustworthy and completely impartial contractor.

Our Core Values
