Going Concern

The Company has made a net profit of Rs.33.06 Lakhs during the period ended 30th June 2019 and, as of that date, the Company's current liabilities exceeded its current assets by Rs.8701.46 Lakhs (previous year Rs.8981.68 Lakhs). The net worth of the Company as at 30th June 2019 is negative by Rs.3208.90 Lakhs (as at 31st March 2019 negative by Rs.3241.96 Lakhs). However, these financial statements have been prepared on a going concern basis, notwithstanding the above factors in view of the following:

- 1) Board has affirmed that company has the ability to meet all the obligation.
- 2) The company along with the shareholders are presently pursuing several options with the company's bankers, viz., ICICI Bank.
- 3) The Company has paid ECB loan interest upto 05th March 2019 and continues to service interest commitments regularly. Besides interest payment, ECB principal of Rs.1499.20 Lakhs (US\$ 2,300,000) in April 2018 has been repaid against ECB overdue instalments.
- 4) The ECB Loan is classified as Non Performing Asset by the lending bank in view of non payment of installments due. The bankers has not recalled the loan, hence the same is classified under Long Term Borrowings.

Considering the promoters ability to fund the companies requirements and procure orders for execution, management is of the opinion that company is a going concern.

a) The working capital loans in the nature of demand loan and cash credit has been obtained from State Bank of India and is secured by charge on trade receivables and un encumbered stocks of the Company. The interest is payable as per the terms of the sanction letter. There were defaults in repayment of the loan pursuant to which the bank has classified the loan facility as non performing assets.

Further, the State Bank of India, Stressed Assets Recovery Branch has introduced a scheme for one time settlement of non performing assets in manufacturing, trade & service sector. Pursuant to such scheme, the Company was offered to pay an amount of Rs. 82.06 lakhs against the outstanding principal and interest amounts on or before 23 July 2017. The Company has made payment of Rs. 20.52 lakhs during January and February of 2017 and the balance amount of Rs.61.54 lakhs paid in July 2017. The Company has made the full payment of Rs 82.06 lakhs in accordance with the scheme of OTS. There is no liability on the Company towards demand loan and cash credit from State Bank of India.

c) The Company has developed OSMAC units by conducting the research and development based on the order received from the Customer. The conception and development of the OSMAC units took additional time and costs than originally anticipated at the time of acceptance of the order from Customer thereby materially affecting the operational results and cash flows of the Company. The Company has continuously implemented the measures in improving operational efficiencies and cost control measures to improve the Companies operating results and cash flows.

d) The Company has accumulated losses of Rs.1,088.65 lakhs as at 30th June 2019 and its networth as at that date is negative Rs 488.65 Lakhs. The Bank which has provided the cash credit and overdraft facility has recalled the debt from the Company. The Company owes money to the vendors and are outstanding for longer periods than stated in the purchase orders/agreements. Although these conditions may cast significant doubt on the Company's ability to continue as a going concern, it has detailed plans for speed up the assembling operations and discharge the financial commitments.

Based on the detailed evaluation of the current situation and plans formulated, the Company is confident of raising adequate finance, rescheduling debt and receiving continued support from the Customer. - ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the quarter ended 30th June 2019 .

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the *Code of Ethics*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Standalone Financial Results

These quarterly financial results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit

procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Emphasis of Matter

We draw attention to note no 6 of Consolidated financial results

" Notes Specific to Joint Ventures

(i) In respect of HATSOFF Helicopter Training Private Limited

Going Concern

The Company has made a net profit of Rs.33.06 Lakhs during the period ended 30th June 2019 and, as of that date, the Company's current liabilities exceeded its current assets by Rs.8701.46 Lakhs (previous year Rs.8981.68 Lakhs). In addition to this, as at the balance sheet date, the Company has significant accumulated losses which have resulted in erosion of the net worth. The networth of the

18/24

Company as at 30th June 2019 is negative by Rs.3208.90 Lakhs (as at 31st March 2019 negative by Rs.3241.96 Lakhs) However, these financial statements have been prepared on a going concern basis, notwithstanding the above factors in view of the following:

- 1) Board has affirmed that company has the ability to meet all the obligation.
- 2) The company along with the shareholders are presently pursuing several options with the company's bankers ,viz,. ICICI Bank.
- 3) The Company has paid ECB loan interest up to 05th March 2019 and continues to service interest commitments regularly. Besides interest payment, ECB principal of Rs.1499.20 Lakhs (US\$ 2,300,000) in April 2018 has been repaid against ECB overdue installments.
- 4) The ECB Loan is classified as Non Performing Asset by the lending bank in view of non payment of installments due. The bankers has not recalled the loan, hence the same is classified under Long Term Borrowings.

Considering the promoter's ability to fund the companies requirements and procure orders for execution, management is of the opinion that company is a going concern.

(ii) In respect of HAL-Edgewood Private Limited

(a) The working capital loans in the nature of demand loan and cash credit has been obtained from State Bank of India and is secured by charge on trade receivables and un encumbered stocks of the Company. The interest is payable as per the terms of the sanction letter. There were defaults in repayment of the loan pursuant to which the bank has classified the loan facility as non performing assets.

Further, the State Bank of India, Stressed Assets Recovery Branch has introduced a scheme for one time settlement of non performing assets in manufacturing, trade & service sector. Pursuant to such scheme, the Company was offered to pay an amount of Rs. 82.06 lakhs against the outstanding principal and interest amounts on or before 23 July 2017. The Company has made payment of Rs. 20.52 lakhs during January and February of 2017 and the balance amount of Rs.61.54 lakhs paid in July 2017. The Company has made the full payment of Rs 82.06 lakhs in accordance with the scheme of OTS. There is no liability on the Company towards demand loan and cash credit from State Bank of India.

19/24

(b) The amortisation of Intangible treatment is done in accordance with Unit of Production Method. In the opinion of the Management that, the Company is confident of receiving Purchase order from its Customer for further series upgrade for 154 OSAMC units on delivery of existing order of 11 prototype OSAMC units to its Customer and the intention of development of OSAMC units is to manufacture and deliver the series upgrade 154 OSAMC units to Customers.

c) The Company has developed OSMAC units by conducting the research and development based on the order received from the Customer. The conception and development of the OSMAC units took additional time and costs than originally anticipated at the time of acceptance of the order from Customer there by materially affecting the operational results and cash flows of the Company. The Company has continuously implemented the measures in improving operational efficiencies and cost control measures to improve the Companies operating results and cash flows.

d) The Company has accumulated losses of Rs.1,088.65 lakhs as at 30th June 2019 and its networth as at that date is negative Rs 488.65 Lakhs. Company is of the view that, expenditure incurred towards research and development phase is towards creation of assets (Mission Computer), which should be evaluated independently. The Bank which has provided the cash credit and overdraft facility has recalled the debt from the Company. The Company owes money to the vendors and are outstanding for longer periods than stated in the purchase orders/agreements. Although these conditions may cast significant doubt on the Company's ability to continue as a going concern, it has detailed plans for speed up the assembling operations and discharge the financial commitments.

e) The Company continues to explore various options to raise finance in order to meet its financial obligations. Based on the detailed evaluation of the current situation and plans formulated, the Company is confident of raising adequate finance, rescheduling debt and receiving continued support from the Customer. Accordingly the Companies financial statement have been prepared on a going concern basis whereby the realization of assets and discharge of liabilities are expected to occur in the normal course of business and that no adjustments are required to the carrying value of assets and liabilities.

f) The Independent auditors of the Joint Venture have issued qualified opinion on the ability of the Joint Venture to continue as a going concern.

g) However, in the opinion of management the impact of the above is not material considering the total assets/ total liabilities/ total revenues/ net profits of the Group as well as that of the Parent.

(iii) In respect of HALBIT Avionics Private Ltd

The Company has the following conditions that may cast a doubt on its ability to continue as a going concern viz., Net liability position (Rs.1,104.13 lakhs for the quarter ended 30th June 2019 and Rs.1141.49 lakhs for the year ended 31st March 2019); Net current liability position (Rs.1,128.98 lakhs for the quarter ended 30th June 2019 and Rs.1,165.46 lakhs for the period ended 31st March 2019); Despite these conditions, its current liability to creditor, though recorded, isn't payable immediately, as they are yet to complete part performance of their obligation and being a shareholder-joint venture partner themselves, the company has drawn up financial plans to liquidate the liability in a phased manner. The Company, based on its estimated future growth as per the business plans and projected cash flow, is confident of funding its operating and capital expenditure and continue business operations in the foreseeable future. Accordingly, these financial statements have been prepared on a going concern basis."

Our opinion is not modified with respect to the above matters..
