Kwintessential Limited

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime as set out in Part 15 of the Companies Act 2006.

For the financial year ended 31 December 2024 the Company was entitled to exemption from audit under section 477 of the Companies Act 2006; and no notice has been deposited under section 476.

The directors acknowledge their responsibilities for ensuring that the Company keeps accounting records which comply with section 386 (of the Act) and for preparing accounts which give a true and fair view of the state of affairs of the Company as at the end of the financial year and of its profit and loss for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to accounts, so far as applicable to the Company.

Signed on behalf of the Board of Directors

A handwritten signature in black ink, appearing to be 'D. J. Hammond', with a large loop at the start and a vertical stroke at the end.

D. J. Hammond

Managing Director

Approved by the board: 26th August 2025

Kwintessential Limited
Notes to the accounts – 31 December 2024

1 Accounting policies

(a) Accounting convention

These financial statements have been prepared in accordance with FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland” (“FRS 102”) and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies’ regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest pound.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

(b) Revenue recognition

Revenue is measured at fair value of the consideration received or receivable. Revenue from the sale of services is recognised when services are delivered and legal title has passed.

(c) Tangible fixed assets

Tangible fixed assets held for the company’s own use are stated at cost less accumulated depreciation and accumulated impairment losses. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their estimated useful lives on a straight line basis of:

Computer hardware	3 to 5 years
Furniture & office equipment	3 to 15 years
Leasehold Building & improvements	Life of the lease

At each balance sheet date, the company reviews the carrying amount of its tangible fixed assets to determine whether there is any indication that any items have suffered an impairment loss. If any such indication exists, the recoverable amount of an asset is estimated in order to determine the extent of the impairment loss, if any.

(d) Stocks and work in progress

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell (net realisable value), after making due allowance for obsolete and slow-moving items.

(e) Foreign currencies

Kwintessential Limited
Notes to the accounts – 31 December 2024

Transactions in currencies, other than the functional currency of the company, are recorded at the rate of exchange on the date the transaction occurred. Monetary items denominated in other currencies are translated at the rate prevailing at the end of the reporting period. All differences are taken to the profit and loss account. Non-monetary items that are measured at historic cost in a foreign currency are not retranslated.

(f) **Taxation**

Taxation represents the sum of tax currently payable and deferred tax.

The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on all timing differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

2 Employees

All staff working at Kwintessential Ltd are seconded from Temple Translations Ltd, the parent company of Kwintessential Ltd.

Kwintessential Limited
