Vision

Together for a safe future.

In close cooperation with our customers, partners and employees, we resolve to make

an important contribution to safety and security – both today and tomorrow. These efforts are reflected in our vision.

Mission

Securiton is the best partner for holistic integrated security solutions in Switzerland and for high-end fire protection in existing and new markets worldwide. As part of a strongly integrated group of companies, we offer a customer-oriented service portfolio. What sets us apart are innovative technologies, successful in-house developments and expert services in a networked world. Entrepreneurial spirit, operational excellence and responsible engagements are core to our mission.

Strategy

Our core business is constantly unfolding due to the impact of globalisation and digitisation, the emergence of new competitors / business models and evolving customer needs. We see this development as an opportunity to leverage the strengths of the Securitas Group and to unleash new growth areas by expanding our product portfolio with innovative technologies and services. We achieve this by focusing on six key areas of

activity that reflect our strategic priorities.

STRONG FAMILY BUSINESS

ATTRACTIVE EMPLOYER

OPERATIONAL EXCELLENCE
