■ WHAT WE DO

We Protect Those Who Protect Us®

We're driven by a shared mission to help our customers stay a step ahead when protecting people, and national security. We innovate alongside supportive teams, and use our ingenuity to develop breakthrough technology and intelligence solutions.

Delivering secure airborne communications to support tactical missions

Accelerating defense innovation with AMPV

APKWS® trials demonstrate successful ground and air-to-air counter-UAS strike

Delivering next-generation digital training

Partnership powers M109 precision fire modernization

2025 half year results

At BAE Systems, our dedication shows in everything we do. We're pioneering inventions to defend our national security, protect our men and women in uniform, and sustain the prosperity of our communities and our planet. Our culture is built on curiosity, creativity, and collaboration.

Accelerating combat capability

Additive manufacturing

Shaping electromagnetic warfare

National defense space
